

**Philly.Com Names NorthStar Solutions Group, LLC.
A Winner of The Delaware Valley 2017 Top Workplaces Award**

PHILADELPHIA, PA (March 27, 2017) – NorthStar Solutions Group, LLC has been awarded a 2017 [Top Workplaces](#) honor by Philly.com. The Top Workplaces lists are based solely on the results of an employee feedback survey administered by [WorkplaceDynamics, LLC](#), a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

“The Top Workplaces award is not a popularity contest. And oftentimes, people assume it’s all about fancy perks and benefits.” says Doug Claffey, CEO of WorkplaceDynamics. “But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what’s most important to them is a strong belief in where the organization is headed, how it’s going to get there, and the feeling that everyone is in it together. Claffey adds, “Without this sense of connection, an organization doesn’t have a shot at being named a Top Workplace.”

NorthStar Solutions Group’s president, Chris Collins, was present at the awards ceremony to celebrate this achievement. “We could not be more thrilled and honored to see that our employee’s view NorthStar as a top place to work for the third year in a row. We strive to offer competitive salaries, stellar benefits packages, while giving the opportunity to advance and grow our team as individuals.”
